

Sneha Kulkarni

AI Engineer

Pune, India | sneha.kulkarni@example.com | +91 90000 33333 | github.com/sneha-kulkarni-demo

PROFESSIONAL SUMMARY

AI Engineer with 4 years of experience designing, training and deploying deep learning, NLP and generative AI applications. Hands-on with TensorFlow, PyTorch, transformers, LLMs and MLOps, delivering production-ready AI systems through REST APIs and cloud platforms.

TECHNICAL SKILLS

Languages: Python, C++, SQL

Deep Learning: TensorFlow, Keras, PyTorch, CNN, RNN, LSTM, Transformers, Computer Vision, OpenCV

NLP & GenAI: Hugging Face, BERT, spaCy, NLTK, LLMs, LangChain, RAG, Prompt Engineering, OpenAI API, Vector Databases (FAISS)

MLOps & Deployment: Docker, FastAPI, Flask, Kubernetes, MLflow, CI/CD, AWS SageMaker, Azure ML

Other: Neural Networks, Model Optimization, Git, Linux, Streamlit

WORK EXPERIENCE

AI Engineer | NeuralWorks Technologies, Pune (2022 - Present)

- Built and fine-tuned transformer-based NLP models (BERT) for text classification and named entity recognition.
- Developed a RAG-based chatbot using LangChain, OpenAI API and FAISS vector database for enterprise document search.
- Deployed deep learning models as REST APIs using FastAPI and Docker on AWS, with MLflow for experiment tracking.
- Trained CNN models in PyTorch for image classification and defect detection with 94% accuracy.

Machine Learning Engineer | VisionAI Systems (2020 - 2022)

- Implemented computer vision pipelines with OpenCV and TensorFlow.
- Optimized neural networks for faster inference and set up CI/CD pipelines for model deployment.

PROJECTS

Resume Screening Chatbot (LLM, LangChain, RAG)

- Generative AI assistant that answers questions over uploaded documents using embeddings and semantic search.

Defect Detection System (PyTorch, OpenCV, Docker)

- Deep learning model for manufacturing quality inspection, deployed as a containerized API.

EDUCATION

B.Tech in Computer Science and Engineering (AI & ML), COEP Pune (2016 - 2020)

CERTIFICATIONS

- Deep Learning Specialization, DeepLearning.AI
- TensorFlow Developer Certificate
- AWS Certified Machine Learning - Specialty
