

Ananya Reddy

Data Analyst

Hyderabad, India | ananya.reddy@example.com | +91 90000 11111 | linkedin.com/in/ananya-reddy-demo

PROFESSIONAL SUMMARY

Detail-oriented Data Analyst with 3 years of experience in data cleaning, SQL querying, exploratory data analysis and business reporting. Skilled at building Power BI and Tableau dashboards that turn raw data into clear insights for sales and operations teams.

TECHNICAL SKILLS

Languages: SQL, Python (Pandas, NumPy), R basics

Visualization & BI: Power BI, Tableau, Excel (Pivot Tables, VLOOKUP, Power Query), Matplotlib, Seaborn

Databases: MySQL, PostgreSQL, SQL Server

Analytics: Data Cleaning, Data Wrangling, EDA, Statistics, A/B Testing, KPI Reporting, Dashboarding

Tools: Jupyter Notebook, Google Sheets, Git

WORK EXPERIENCE

Data Analyst | BrightMart Retail Pvt. Ltd., Hyderabad (2023 - Present)

- Wrote complex SQL queries (joins, window functions, CTEs) to extract and analyze sales data from PostgreSQL.
- Built 8 interactive Power BI dashboards tracking revenue, churn and inventory KPIs, used weekly by management.
- Cleaned and transformed datasets of 1M+ rows using Python Pandas and Excel Power Query, cutting reporting time by 40%.
- Performed exploratory data analysis and A/B test analysis to support marketing campaign decisions.

Junior Data Analyst Intern | InsightEdge Solutions (2022 - 2023)

- Prepared daily and monthly Excel reports using pivot tables and charts.
- Assisted in data validation, data cleaning and documentation of business metrics.

PROJECTS

Sales Performance Dashboard (Power BI, SQL)

- Designed an end-to-end dashboard showing region-wise sales, profit margin and top products from a SQL Server database.

Customer Churn Analysis (Python, Pandas, Tableau)

- Analyzed telecom customer data, found key churn drivers through EDA and visualized findings in Tableau.

EDUCATION

B.Sc. in Statistics, Osmania University, Hyderabad (2018 - 2021)

CERTIFICATIONS

- Google Data Analytics Professional Certificate
- Microsoft Power BI Data Analyst Associate (PL-300)
- SQL for Data Analysis, Udemy
